

Statement of Independent Coach Earnings

For the Year ending 9/28/2008

Beachbody rewards our independent Coaches for retail sales of its proven fitness videos and nutritional supplements and premium club recruitment activity via a Binary compensation plan which pays retail commissions at all rank levels and pays bonuses at the Leadership Ranks of Emerald Coach and above. The flexibility and earning potential of the Beachbody opportunity allows its Coaches to choose whether they want to take advantage of the personal fitness and health benefits of the Beachbody products, earn supplemental income by participating in the Beachbody opportunity on a part-time basis, or focus their full-time attention on the opportunity to try and maximize their income growth.

The Beachbody compensation plan pays commissions and bonuses weekly based upon the prior week's sales activity. Beachbody Coach Leadership ranks include Emerald, Ruby and Diamond, all of which are eligible to earn several types of bonuses. An additional level of bonus is available to Diamond rank Coaches who have achieved further Star Diamond qualifications.
